■ Easy to Use

LENGTH	WIDTH	THICKNESS	TEMP.	WATERPROOF
32 _{ft}	9.9 _{mm}	0.64 _{mm}	-40/100 °C	Yes

OVERVIEW

Experience the strength and ease of AveryLED Heavy Duty Double Sided Mounting Tapes. The 0.025 inch thick thickness conforms to uneven surfaces.

With 32 feet of flexibility per roll, you can mount signs, trim, plastic parts, and more without drilling or hardware. Just peel and stick for an instant hold, indoor or out. The adhesive withstands moisture and extreme weather once fully cured.

SCOPE

Double Sided Mounting Tape

Material & dimensional specification of an acrylic foam mounting tape · indoor or outdoor

SECTION 02

MNT-FT10MM-32FT-10P

2.1 SPECIFICATIONS
